<b>Name: Saver Boot</b>	<b>Code: 25074</b>	<b>Special Protection Series</b>
-------------------------	--------------------	----------------------------------

### Description

Designed for chainsaw protection, it features all the characteristics of comfort that are typical of leather and cut protection footwear due to its multi-layered padding in the upper part. With composite toecap and midsole, dual density polyurethane outsole with overcap for extra toe protection. The upper is in nubuck leather with "Crazy Horse" treatment, with comfort padding in the metatarsal, shin and calf areas; insole manufactured with special foam to prevent perspiration.

This footwear belongs to Special Protection Series, which guarantees high level of performance and quality; also due to the completeness of its range it ensures proper protection for any kind of danger, even the most extreme.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of European standards EN ISO 20345. It is classified as PPE Cat. II.
