<b>Name: Men's Lab Coat</b>	<b>Code: 30903</b>	<b>White Range for Food Industry</b>
-----------------------------	--------------------	--------------------------------------

### Description

Men's lab coat made of 65% polyester and 35% cotton fabric, weight 140 g/m².

It features a concealed four button closure, two low pockets and one chest pocket, elastic cuffs and back slit.

Foodsafe Pictogram.

- The garments do not release any harmful substances.
- Long lifespan of the Workwear thanks to the structure of the fabric and the particular attention paid to the trim, such as reinforced runners and jointed double seams.
- The white colour easily provides evidence of possible dirt, facilitating the fulfilment of the hygienic standards.

Protection against risks of dirt and detrimental actions of slight damage.

The product is designed and manufactured to comply with the requirements of Directive 89/686/EEC.

It is classified as PPE Cat. I.
