Name: Motorway Split Jacket	Code: 34852	High Visibility Weather Resistant
------------------------------------	--------------------	--

Description

Four-in-one high visibility jacket made in polyurethane coated polyester and 220 g/m² cold resistant inner padding. It is waterproof, weather resistant and suitable for low temperatures. The outer jacket has a concealed zipper closure with snap buttons, rollaway hood with drawstring, right phone pocket with Velcro, chest pockets with flaps and Velcro, side pockets, foldable badge holder and inner pocket with vertical zipper closure. The inner part, detachable with zipper and buttons, is in orange fluorescent fabric, the inner collar is in fleece. Detachable sleeves with zipper, outer pockets with covered zipper and two inner pockets, one with zip and one with flap and Velcro.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of European standards EN 20471 for high visibility clothing, EN 343 for protection against bad weather and EN 14058 for cold environments with temperatures down to -5 ° C. It is classified as PPE Cat. II.

EN 20471
