Name: Velvet Short Jacket	Code: 34987	Winter High Visibility
----------------------------------	--------------------	-------------------------------

Description

High visibility short jacket made of fluorescent Velvet fustian fabric 60% cotton and 40% polyester, weight 350 g/m². It features a shirt collar, concealed five button closure, two chest pockets with flaps and Velcro, one is tridimensional with pen holder. Two loops of reflective bands around sleeves and chest.

- The Velvet range offers high visibility requirements and guarantees cold resistance and insulation.
- Fabric with double inner plush lining.
- The compact fabric retains body heat and its surface enhances the ability to repel liquid and dirt.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of European standards EN 20471 for high visibility clothing. It is classified as PPE Cat. II.
