Name: Rockman 4 Helmet

Code: 38143

Helmets in Polyethylene

Description

Polyethylene helmet with a 4-point soft terylene fabric head harness. It features twelve ventilation holes, more rigid and stronger faceted surface, scratch-proof shell finish and replaceable front sweatband. Slots for earmuffs, chinstrap attachment and flat front for logo personalization. Resistant down to -30°C.
Weight: 305 g.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 397.
It is classified as PPE Cat. II.

Category II	Colours Red	Available Sizes Unica
Quantity/Carton 60	Important Information Make sure the helmet is in good condition before use and its surface is not damaged: inspect for cracking, abrasions, change of colouring or dents. Once you become aware of a damage, you should immediately replace it.	Recommended for Industrial plants, construction and road work sites, airports, inspection and maintenance work.
Dexterity	EC Standards EN 397 CE	Storage and cleaning Keep in a cool dry place, far from heat sources and direct light. Clean all its parts on a regular basis using a detergent solution or neutral detergent and warm water. Do not use any solvents.
