Name: Style 600 Helmet	Code: 38157	Helmets in ABS
-------------------------------	--------------------	-----------------------

Description

Helmet in ABS material with 6-point textile head harness. It features a sponge-cloth sweatband and chinstrap attachment; resistant to lateral deformation (LD) and to molten metals' splashes; electrical insulation up to 440 V A.C. Resistance to low temperatures down to - 30°C. Weight: 370 g.

- Shape facilitating the use of hearing protection.
- Ratchet easy adjustment for sizes from 50 to 66 cm circumference.
- Light and comfortable.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 397 and EN 50365. It is classified as PPE Cat. III.

Category III	Colours Green	Available Sizes 50-66
Quantity/Carton 20	Important Information The helmet is not an electrical insulating device. Use additional protective insulating equipment to reduce the chances of harm. Make sure the helmet is in good condition before use and its surface is not damaged: inspect for cracking, abrasions, change of colouring or dents. Once you become aware of a damage, you should immediately replace it.	Recommended for Industrial plants, construction and road work sites, airports, general inspection and for works that involve electrical hazard.
Dexterity	EC Standards EN 397 CE EN 50365	Storage and cleaning Keep in a cool dry place, far from heat sources and direct light.
