Name: Foco Gold Visor	Code: 39021	Helmets' Shields - Scott
------------------------------	--------------------	---------------------------------

Description

Polycarbonate gold visor for helmet.
Provides high protection by reflecting the heat coming from furnaces or from fusion processes. Its shape and ample fit ensure thermal insulation and mechanical protection for face, neck and temples. The light green inner tint provides an excellent vision. Designed for maximum efficiency when working with incandescent materials.
Height 25 cm.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 166.
It is classified as PPE Cat. II.
