Name: Half Mask Dräger X-Plore 4340	Code: 45540	Half Masks - Sperian Dräger
--	--------------------	------------------------------------

Description

Versatile half-mask in hypoallergenic soft material (TPE), which characterises the inner structure, and a rigid frame that sustains the filter. The half-mask is provided with a flexible head strap system with quick adjustment. X-Plore mounts standard thread connection filters, type UNI EN 148, up to 300 grams. The filters can be used on both the half-face and the full-face masks X-Plore models.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 140. It is classified as PPE Cat. III.
