<b>Name: Disposable Half Mask Freedom A2P2</b>	<b>Code: 45558</b>	<b>Half Masks - Sperian Dräger</b>
--	--------------------	------------------------------------

### Description

The Freedom half-mask is made of polypropylene and it is a valuable alternative to half-masks with interchangeable filters. The filters are fixed rather than interchangeable, and thus once the filter ceases to perform its function, the half-mask has to be completely replaced; it does not need any maintenance. Hypoallergenic.  
Suitable for protection against organic vapours, solvents and dusts.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 405.  
It is classified as PPE Cat. III.
