

TECHNICAL SHEET

Name: Asap Mobile Fall Arrest Device For Rope	Code: 55228	Rope Access and Confined Space Kit - Petzl
--	--------------------	---

Description

The device works on vertical or angled rope and stops a fall, a slide or uncontrolled descent. Supplied with the OK TL automatic locking karabiner.

Weight: 370g.

Simple to use and efficient: it slides along the rope up and down without manual intervention, easy to install and remove at any point on the rope.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 353-2 and EN 12481. It is classified as PPE Cat. III.
